Total Credits by Semester		179		20	16	32	27	28	22	16	18			

Note 1: The minimum total graduation credits for this department is 130 credits.

Note 2 (School Requirements): 40credits (including 2 credits for Physical Education). General education elective credits are limited to 8 credits within 4 years (excluding foreign languages).

Note 3 (Department Requirements): 52mandatory credits. (excluding foreign languages).

Note 4 (Department Requirements): Students must also complete at least 30 elective credits within this department over 4 years (excluding foreign languages).

Note 5: Per University regulations, 1 credit point generally equals 18 hours of teaching. Graduating class students (8th semester) may not take non-graduating courses unless willing to accommodate makeup classes.

Note 6: Includes one hour of official document practice writing.

Note 7: Among the general education language elective courses, a maximum of 4 credits from elective courses in Japanese, German, French, Spanish, Indonesian, or Vietnamese (choose any 1) may be counted toward the department's elective credits.

Note 8: Students must pass a proficiency test equivalent to GEPT Intermediate Level (Listening & Reading) before the end of the 5th semester to qualify for graduation.

Remedial courses may be taken starting the 6th semester if failed.
